Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

## **Overview of This Information Collection**

**Title:** Declaration of Person Who Performed Repairs or Alterations

**OMB Number:** 1651-0048

**Current Actions:** Extension

**Type of Review:** Extension (without change)

**Affected Public:** Businesses

**Abstract:** The “Declaration of Person Who Performed Repairs or Alterations,” as required by 19 CFR 10.8, is used in connection with the entry of articles entered under subheadings 9802.00.40 and 9802.00.50, Harmonized Tariff Schedule of the United States (HTSUS, <https://hts.usitc.gov/current>). Articles entered under these HTSUS provisions are articles that were temporarily exported from the United States for repairs and alterations, and are returned to the United States. Upon their return, duty is only assessed on the cost or value of the repairs or alterations performed abroad and not on the full value of the article. The declaration under 19 CFR 10.8 includes information, such as (1) a description of the article and the repairs or alterations; (2) the value of the article and the repairs or alterations; and (3) a declaration by the owner, importer, consignee, or agent having knowledge of the pertinent facts. The information in this declaration is used by CBP to determine the value of the repairs or alterations, and to assess duty only on the value of those repairs or alterations.

These requirements apply to the trade community who are required by law to provide this declaration.
